Pasadena
California 91104

Phone: (626) 755-5264

American Tools Dropshipping. JCH's Tools is a California based company which is a direct wholesaler and distributor of all types of tools and accessories. JCH's Tools has been in the business for more than 13 years and has expanded their market into Canada as well as other countries. JCH's Tools has a product range from automotive tools to garden tools and acoustic guitars. The dropshipping program is free of charge with the exception of the shipping charges and handling fees. Dropshipping details are given in a separate section in the web page with a separate email. Resellers need to login to their account to enter into the dropshipping business with the company. The company works from Monday to Saturday. The website has the work timings as well as the address and the contact phone numbers. A general email address is also provided for all general as well as dropshipping enquiries.
