American Musical Instruments Dropshipping Bridgecraft USA Inc. is a California based online business house for musical instruments and accessories that come at factory fresh condition and competitive prices. Bridgecraft USA Inc. has a range of products from ukeleles to guitars from accordions to electronic keyboards, from effect pedals to music accessories of all sorts. Bridgecraft USA Inc. has their warehouse at LA from where they are shipped. The website offers a separate membership for dropshipping customers. Hence resellers will have to avail membership and login to process their business. Not much of details of terms and conditions are provided on the website with regard to dropshipping. However, one can write to the company for details regarding dropshipping. Bridgecraft USA Inc. clearly has the best prices for quality products on their website and their trading is mostly done in US and Canada. The website also has the company address, fax and phone numbers as well as an email ID for contact.
