

Richard Cannon Jewelry

New York

Phone: 800-449-4722

American Jewelry Dropshipping Richard Cannon Jewelry is a New York based leading manufacturer and wholesaler of fine jewellery since 1999. Richard Cannon Jewelry's gold, silver and diamond lines consist of a full range of products – including chains, bracelets, earrings, rings, necklaces & pendants – in Platinum, 18K, 14K & 10K gold and sterling silver. Richard Cannon Jewelry has been a successful supplier of fine jewelry to many leading retailers, catalog companies and internet retailers. The company offers more than 2000 products for dropshipping with no minimum order. However there is a monthly fee involved in the dropshipping. But one can benefit from the many features of the dropshipping program of the company like catalogues, product feeds, integration of the webstore, automatic update of feeds etc. Overall the webpage is very user friendly and has the address, phone and fax numbers besides the email provided. They also have an online form for specific queries as well as a toll free number to call. Hence more specific dropshipping information can be obtained by contacting them through these wide options.
