American healthy foods drop shipperBangalla is an American organic foods wholesaler and drop shipper with three warehouses located in Seattle in Washington, Los Angeles in California, and Alexandria in Virginia. The company owes its name to the owners' Australian origins, where the word bangalla means "golden" in Australian Aboriginal. Their very tagline is "Golden in everything we do."They offer a wide variety of products such as condiments, baking supplies, fruits and vegetables, drinks, baby food, pet food, snacks, teas, soups and bouillons, teas, bags and totes, food packaging supplies, as well as kitchenware supplies for restaurants. They pride in their products being nut-free, gluten-free, dairy-free, vegan, low in salt, and kosher. Bangalla encourages drop ship orders from their wholesale customers, promising a savings of up to 7.5%. All standard and expedited shipping rates are listed in detail on their website's Shipping page.
