Prank It Joke Product Drop Shippers Prank It, as its name suggests, is a drop shipper of various novelty items focusing on gags and pranks. The company is based in Gold Hill in North Carolina, USA. Their online store was opened back in June of 2014, and have since been servicing a number of resellers, novelty retailers and the like. Some of the product types you'd find at Prank It's online store are novelty money, classic gags, trick candies, exploding items, stink items, squirt guns and other items, shock items that zap the person who touches them, various flags, display racks, packaging supplies such as singles bags, Halloween prank items, and even police whistles. One may contact Prank It for general inquiries, orders or even bulk price quote requests and inquiries regarding drop shipping services by phone, or by filling out their contact form found on the contact page.
