

Vousi Wholesale

California

Wholesale Dropshipper of Jewelry Vousi is an American online wholesaler of jewelry for men and women based in California. The company offers drop shipping services to customers located within the United States, with very minimum order requirements to meet. To avail of their wholesale or drop ship service, one has to order a minimum of \$100 in products. The products Vousi offers are silver tone rings, ceramic rings, sterling silver rings, iron gold plated rings, gold tone rings, stainless steel rings, earrings, bracelets and bangles, necklaces and pendants, men's rings, chains, lockets, wedding rings, skull themed jewelry, rose gold jewelry, nature inspired jewelry, military rings, and many more. One will have to register for either a wholesale or drop ship account with Vousi, which will be reviewed within 24 hours on normal business days before approval and activation. The two accounts have different order requirements and prices because of their nature. The company promises "blind shipping" for drop ship accounts where only the reseller's information will be shown on the label. The company may only be contact via their online form found on the website.
