Florida based sandals and sports footwear wholesaler AllFootWear is an American wholesaler of fashion sandals and athletic footwear based in Miami, Florida in the USA. The company has been in business for over 15 years - founded in September of 1995 - and has since been supplying different businesses such as online retailers, resellers and department stores both domestic and international with quality shoes and sandals. Products offered by AllFootWear include both off-brand and branded footwear which are Gol, Sedagatti, Air Balance and Watermelon. Their array of products is made up of sneakers, shoes, sandals, soccer shoes, hiking boots and shoes, as well as backpacks. They have both designs and sizes for men, women, children and infants. One may register an account on AllFootWear's website for an easier ordering process. Unregistered customers may give them a call at their toll free number for order and inquiries. Do note, though, that all orders are per case and that it cannot contain a variety of different sizes and colors. Only one style, color and size may be ordered per package. Drop ship orders must be pre-paid via wire transfer or bank deposit.
