Intimate wear drop shipper Wholesale Erotica is a British intimate lingerie and women's apparel wholesaler and drop shipper. The company has been in business since 2001, first starting their venture as a retail business and eventually branching out into the wholesale industry and market. They get their supply of products from Pleaser and Leg Avenue, both of which are companies located in the USA.

Wholesale Erotica's product lines include corsets, swimwear, women's tops, matching lingerie sets, mini dresses, garter sets, long dresses, vinyl lingerie and costumes, body stockings, babydoll bikini and lingerie sets, bikini sets, stockings, thongs, costumes, women's boots, plus size clothing, retro footwear, backless and strapless bras, invisible bras, and push up pads. Orders may be placed online, by phone, post or email. To apply for a wholesale account, as well as avail of their drop shipping services, customers may send Wholesale Erotica an email to discuss their needs. The minimum wholesale order amount is £100, with a £10 charge for any order below the minimum requirement.
