American baby keepsakes drop shipper Treasured Baby Steps is a mom of four owned business based in Olathe in the state of Kansas, USA. Kathy found inspiration when she received a porcelain baby shoe as a keepsake from her OB doctor after the birth of her third child. In 1999 she officially opened the business, and acquired the process and styles from Baby Keepsakes in 2013. Products offered by Treasured Baby Steps are porcelain baby shoes available in classic, sneaker and bootie styles, and baby's first picture frames. All products are personalized to show the baby's name, date of birth, weight, length and time of birth. Special messages, as well as different colors and styles of printing, can also be printed on to the products for added personalization. Treasured Baby Steps offers their products to midwives and doctors, as well as other businesses in the gift industry. Different pricing options are available to wholesale customers, and gift certificates are offered as well. Customers may contact the company by phone or email for inquiries, orders and any other concerns.
