

Eternity Wireless

1604 S Pierce Ave
Mason City
Iowa 50401

Phone: (888) 378-9393

American mobile phone accessories wholesaler Eternity Wireless is an American wholesale mobile accessories company based in Mason City in the state of Iowa and was established in 2001. They have over 6,000 retail customers worldwide, and continue to expand their business to accommodate more resellers and wholesale customers. Products offered by Eternity Wireless include phone cases, shields, chargers both for the car and AC adapters, screen protectors, phone holsters, pouches, memory cards, replacement batteries, Bluetooth keyboards, speakers, selfie sticks, headsets, earbuds, phone connector cables, docking stations, mounts, dash cams, and many more. Their products are from popular, high quality brands such as Kingston, Duracell, Tekya, and J3X, among others. To register a wholesale account with Eternity Wireless, customers must fill out the registration form found on their website. A national sales representative will then contact the applicant within one business day for final approval and activation of the account. For other inquiries and concerns, customers can contact the company by phone or email.
