

Planet Gizmo

Phone: 0800 612 2150

British wholesaler of accessories Planet Gizmo is a British consumer electronics and accessories wholesaler. The company enumerates the reasons why customers should shop with them on their website, namely that they have the best price, they offer free delivery within the UK mainland, they are the official UK dealer for the brands they carry, they are an eco-friendly company, and they offer extended warranty on all products. Some of the major brands they carry are Sharp, Sennheiser, SanDisk, Ultrason, TDK, Beats, Daewoo, Yamaha, GoPro, LG, and Nextbase. Products Planet Gizmo carries are home audio systems, DJ equipment, computer printers, photography accessories, entertainment room furniture, digital video recorders, digital cameras, earphones, televisions, headphones, microphones, audio adaptors, and many more. To contact Planet Gizmo, customers may fill out the web contact form available on their website, or by giving them a call on their toll free and/or local numbers.
