

Advantage Laser Products, Inc

1840 Marietta Blvd NW
Atlanta
Georgia 30318

Phone: 800.722-2804

Wholesaler of laser products and accessories Advantage Laser Products, Inc. is an American wholesaler of laser products and consumables based in Atlanta in Georgia. The company was founded by Marvin Masson and Brian Chaney back in 1987, starting out as a business engaged in laser typesetting. It has also gone from Advantage Publishing to Advantage Recharging, and then on to Advantage Laser Products. Products offered by the company are remanufactured printer cartridges, tax forms, MICR toner cartridges, MICR laser printers, MICR Fonts, envelopes, preprinted checks for QuickBooks, pressure seal equipment, fuser/maintenance kits, check analyzers and check layout tools, laser toner cartridges, and check printing software. One may apply to be a reseller of Advantage Laser Products, Inc.'s products by filling out the Reseller form found on their website and attach a state resale certificate. For more info on the reseller program, orders, or any other concern, the company may be contacted by phone, fax or email.
