Wholesaler of IT and other general homeware products D&H Distributing is an American homeware and IT products wholesaler with headquarters based in Harrisburg in the state of Pennsylvania. The company has a very long history in the distribution industry, having started the business focused on rethreading tires back in 1918. Since then, they have expanded to include other product ranges, as well as branch out to different parts of the country to better facilitate distribution. D&H Distributing has distribution hubs in Bolingbrook, IL, Fresno, CA, Harrisburg, PA, and Newnan, GA. The company offers over 75,000 products under IT, home and outdoor, education, video gaming, consumer electronics, and sports and recreation categories. All products and pricing will be available accessible to customers and resellers when they open up an account with D&H Distributing. To open an account, one may register online on their website with their resale certificate, business banking info, business/trade references, and company ownership information. For other questions and concerns, they may be contacted by phone or by filling out the feedback form on their site.
