Satellite products and electronics wholesaler DMS International is an American wholesaler of electronics and satellite products based in Kennesaw in the state of Georgia. The company has been in business since 1970 and has been distributing products to many dealers and resellers worldwide ever since. Some of the products offered by DMS International are Trimax technology meters, first strike meters, commercial wireless antennas, site survey tools, cable meters, waterlocks, satellite receivers, RS-232 cables, universal and standard LNBs, v-box positioners, linear actuators, winegard dishes, VSATs, IPTV media players, and many more. Customers may simply fill out the application form found on their website to start reselling DMS International's products. Drop shipping requests may be sent by filling out a drop ship form found as well on the site, and all customizations for the label may be listed there. For other inquiries, the company may be contacted via phone or email.
