

East West Imports & Services (EWIS)

Calgary
Alberta

Phone: (403)668-0201

Wholesaler and drop shipper of consumer electronics East West Imports & Services (EWIS) is a Canadian online store that specializes in the wholesale and drop ship of consumer electronics based in Calgary in Alberta. It operates under a mother company called SaveInstant Trading, Inc., and has most of their products shipped from a US warehouse. Some of the products offered by East West Imports & Services (EWIS) include iPad accessories, digital photo frames, scooters, motion lamps, GPS navigation systems, docking stations, radar detectors, televisions, cellular phones, MP3 players, mobile phone accessories, toys and games, bath fittings, steelware products, gaming consoles, car audio systems, home stereo systems, digital cameras, and so much more. Customers may sign up for an account with East West Imports & Services (EWIS) to start reselling products and avail of their drop ship program. A monthly fee of \$4.99 is charged for drop ship accounts. For inquiries, one may contact the company via phone, live chat or through their online contact form.
