Wholesaler and drop shipper of furniture BeFurnished is an American furniture wholesaler and drop shipper based in Danbury in the state of Connecticut. The company has its distribution center in Danbury, but sources and manufactures the products in Indonesia. They boast of having 5 quality checks for their products and take time to dry the wood before building the pieces unlike other manufacturers apparently do. Some of the products offered by BeFurnished include teak round table sets, teak extension table sets, teak lounge and steamer sets, folding tables, coffee tables, side tables, hardwood flooring, backless benches, deep seating sets, Adirondack chairs, teak mats, Boston teak bar sets, aluminum glass tables, armchairs, folding chairs, rocking chairs, and many more. For drop ship requests and wholesale orders, customers may contact BeFurnished by phone, fax, live chat or through the electronic contact form on their website. One may also visit their showroom Mondays through Fridays, between 9am and 5pm.
