Safety products drop shipper TBO-Tech is an American wholesaler and drop shipper of safety and self-defense products based in Bonita Springs in the state of Florida. The company has been in business since April of 2000, established by Steve Thibeault who is a former member of the US Army. Products offered at TBO-Tech include metal detectors, knives, blowguns, single ninja stars, key hidens, hidden cameras, spy gear and cameras, surveillance systems, bug detectors, dummy cameras, safety lights, cell phone stun guns, stun batons, stun guns that come with several different features such as a flashlight, animal repellents, pepper sprays, door security systems, infrared motion alarms, and more. To become a dealer or to apply for a drop ship account, one needs to submit their business license or any proof of business to TBO-Tech via email. The company will then send back further instructions to facilitate the wholesale application. For other inquiries, they may be contact by phone, email, or via the contact form on the website.
