Bikes drop shipper Atomic Scooter is an American scooter and ATV wholesaler and drop shipper based in Newton in the state of Massachusetts. The company specializes in wholesale and drop shipping, and therefore does not list their wholesale prices on the website. They also specialize in the import and distribution of the same product line. For scooters, Atomic Scooter offers the Forte 1200, the Retro 550 Vespa Style Scooter, and the Urbano 900. For ATVs, there are the Mudbuster 770 Raptor Styled ATV and the Kidzilla 800 Mini-ATV. They also offer the Atomic Scooter Lancer 200 Dirt Bike. Detailed descriptions for each bike are on their respective product pages. For all drop ship arrangements, wholesale inquiries and orders, as well as dealership applications, customers may contact the company by phone or by filling out the online contact form found on the website.
