Drop shipper of beauty products and supplies Bayside Brush Co. was founded in July 1993 at Bayside Market Place in Miami, FL, with the purpose of providing a quality beauty experience to our customers through our retail stores at malls and airports. We carry the world's most exclusive hair brushes, hair accessories and beauty products; brands such as British-made Kent and Mason Pearson. We also carry our signature line of more than 1200 unique, French-made, Camila-Paris hair accessories. We are proud of our 20+ years of experience and knowledge, and excellent customer service. Do more business with less overhead. Fulfill products without actually having to stock merchandise. You don't warehouse anything, or ship anything. You simply place product information (images and descriptions) on your Internet site or auction, take orders, and email those orders to us. We ship the product to your customer's door. You set your Retail Price, and pay us the Wholesale Price, making a profit every time. You would take orders and payments for items sold on our web site. You will process the credit card and handle all customer service issues regarding the customer. You will forward the order to Bayside Brush Co. via email or fax. Please include the complete shipping address including the name of the recipient. (P.O. Boxes and RR #'s not accepted) Bayside Brush Co. will assemble and ship from our location directly to your customer, (your name or company name will be listed as the sender on the shipping label and no invoice or "packing slip" will be included with the package.) Once your package is shipped we will email you confirmation, a tracking number for your shipment and your credit card charges. We will charge your credit card with wholesale cost. The benefits?
