

Hibba Toys, Ltd.

Suite 2, The Evergreen 29 Whinmoor Gardens
Leeds
LS14 1AF

Phone: 0113-265-8318

Drop shipper of toys Hibba Toys is an established family owned company based in Leeds, West Yorkshire. We specialise in offering unique, high quality distinctive gifts and toy boxes for children. Many of our wooden toys and gifts make ideal new baby gifts and Christening gifts. We are delighted and proud to have our flagship product, the Hibba Classic Pine Traditional Toy Box in The Royal Household. The wooden hand carved toy box was purchased from us by The Prime Minister's Cabinet Office and given to Prince George as a Christening gift from all members of The Cabinet - a perfect Royal heirloom to be treasured for generations. Our personalised kids bedroom furniture and solid pine child toy boxes by Steve Allen will make a great addition to your child's bedroom. We have supplied our wooden toy box to the Cabinet Office to be given to Prince George as a Christening gift. The child furniture is a complement to our wooden toys and have been individually designed to match the personalised wooden toy boxes. Many customers buy these as Christening gifts and for newborn baby gifts. Please contact us if you require next day delivery on our wooden toys. Our classic pine traditional wooden toy boxes are designed and manufactured in the UK

We have the Brum pedal car, noddy and postman pat at low prices only at our online toy shop in Leeds. A superb range of classic children's metal pedal cars & ride on kids bikes and trikes. We are also proud to offer the Stendoo range of kids bedroom night lamps, available in three different colours. New for this year, these children's night lights will look great in the kids bedroom or playroom. We have the Scottie push along dog and Dexter. We also have a range of traditional wooden rocking horses & kids battery powered electric cars. These kids toys are educational, encourage learning & skill building, especially with our bead frame activity tables, baby grand piano & kitchen play set wooden toys by Kidkraft. The range of traditional wooden baby toys is extensive and you are sure to find the

perfect birthday gift for your child. The most popular is the sheepdog, st bernard, labrador plush baby walkers made by mulholland and bailie.
