Drop shipper of general merchandise and giftsWe are an independent, family-owned wholesale business with our office in beautiful Madison, Wisconsin. We ship from a warehouse in southern California.Started in 2004, AEWholesale has sold products worth over $4.5 million retail, and it's all thanks to our fantastic retailers!NONE of your information will be shared, sold, rented, bartered for, given away, auctioned off, or even whispered in hushed tones. We use MailChimp to handle our marketing emails, so they need that information, but they do NOT use it for any other purpose. The only exception for sharing information would be in cases of credit card fraud, when we would assist the proper authorities in whatever way was necessary and lawful.We collect personally identifiable information, like names, postal addresses, email addresses, etc., when voluntarily submitted by you, our visitors. The information you provide is used to fulfill your specific request. This information is only used to fulfill your specific request, unless you give us permission to use it in another manner, for example to add you to our new arrivals newsletter list. We accept all major credit cards, PayPal, and Amazon Pay. We do not offer credit terms. We also do not take checks, however if you use PayPal, your PayPal account can have a bank account as a form of payment, so it's an easy workaround.We simply ship to whatever address you specify in your order, whether that be yours or someone else's. We do not charge any extra if you ship to a different address. The packing slip and outer box label will have our address printed on it, but it will not show our business name or any other contact information, and prices are never printed on packing slips. To help you in listing your items, we do have a spreadsheet file available, which has prices, UPC codes, image URLs, stock levels and other information. Be sure you are registered on our site and logged in, then go to this page to download the file.
