Drop shipper of general merchandise items CKB Products is a wholesale distributor that deals with manufacturers directly which allows you to get merchandise wholesale for 40% - 90% less than product retail price. We buy wholesale in large quantities which allows us to receive merchandise at incredible discounts and pass the savings onto you. When buying wholesale products, you have the benefits of purchasing new merchandise with a full manufacturer's warranty. CKB Products does not sell used products, offers a no minimum order policy and charges no handling or membership fees when you buy wholesale from us. You pay for the item and shipping - nothing more. We also offer huge discounts on bulk purchases, simply let us know the products and quantities you are interested in and we will have a below wholesale price quote for you within 24 hours. CKBProducts.com is a mainstream wholesale distributor who aims to maintain an impeccable reputation by continuing to provide our customers with great service and quality wholesale merchandise at affordable prices.
