Drop shipper of general goods The Self Trading Company is an international trader in all consumer merchandise. Specialising in Brand New Stock, available at well below their wholesale prices!! We are able to provide you the buyer with high quality products at cheap, cheap prices!! We will take Bankrupt, liquidated and surplus stock off your hands, turning your problem into a solution! We guarantee to make a bid on all products offered! Self Trading is an international trader of all types of consumer products. From clothing, footwear, jewellery, electrical items, almost anything that the consumer will use! We will make offers on anything from Surplus stock, bankrupt stock, and liquidated stock to Superstore Clearances. We guarantee to make an offer on your stock regardless of where you are in the world! If your company has any type of surplus products, that are redundant to your needs, and they are quality items at genuine 'knock-down' prices, then please contact us today with full product details ... we may be able to turn a problem into a solution for you and your company immediately. Remember, Self Trading guarantee to always make an offer for your stock where ever you are in the world! Our reputation is built on quality products at knock down prices. We are not overpriced, direct sales, product marketing company, offering items at inflated prices. We strive to maintain our reputation and negotiate the best prices possible on surplus stock for both parties. Please therefore only call us if you have a genuine surplus stock with clearance deal, and are prepared to consider genuine clearance prices.
