Dropshippers for CandlesCandles 4 Less is a San Diego based company offering all kinds of beautiful candles for different occasions and purposes. They cater to all businesses in need of natural lighting in the form of candles, from wedding organizers to florists, churches and spas. At Candles 4 Less, you can find a variety of candles such as pillar candles, tealight candles, jar candles, vigil candles, scented candles, votive candles, and the like. Of course, the company sells candle holders as well. They also offer floral supplies like moss wreaths, natural flower pots, pine cones and vases. They offer dropshipping services and wholesale orders.

Candles 4 Less ships from their warehouses located in both coasts, California and New York, ensuring timely shipment to customers nationwide as well as Canada. An extra measure to ensure that is a same-day shipment for orders placed before noon Pacific time, and any order after that time is shipped the next business day. They as well offer a 100% money back guarantee to their customers and affiliates.
