Dropshippers of Mattresses & Bedroom Furniture “All work and no sleep will make you dull and unhealthy” Nothing is more important than good night sleep. Sleep Pros took an initiative almost 10 years ago to provide this sleepy comfort to you in a new and improved way. They provide wide range of air mattresses which decreases the cost to be spent on beddings. These air mattresses are much heavier and better in quality than normal mattresses. SleepPros also offer luxurious bed covers. Product Line available for Dropshipping The air mattresses available for drop shipping like Air sleep II, Air sleep IV, Air sleep XV, Air sleep LX and Sahara air bed. These have got special characteristics. These mattresses use anti-bacterial and anti allergic bamboo knit covers. These have vulcanized air chambers. Some of them include dual zipper systems. They have removable top constructions. The Sahara air bed is specially designed for maximum airflow in all directions. Drop Ship Supplier Details They have been offering comfort and cozy sleep to many customers for more than 20 years. All wholesale beds are handcrafted and are designed strictly according to quality measures. The shipping is totally free anywhere in United States. They warranty their products for 20 years. They are located at Incline village, NV. They believe in customer satisfaction and lower wholesale rates.
