Wholesaler of cookout suppliesAt texas Irons, we offer several kinds of branding irons. We offer the Classic, with which you can brand your finest culinary creations with the original steak branding iron. This BBQ brand is the perfect gift for any grill master! The HeatBacker: Made from a heavier grade stainless steel than our best selling Classic irons, the HeatBacker holds heat longer and provides more branded impressions before you have to reheat. The Blacksmith, Hand-crafted by artisan blacksmiths, our Blacksmith branding irons offer a truly authentic look and feel. The Single-Letter Western Our Single-Letter Western irons feature a unique Western script reminiscent of actual cattle brands. Make your mark in distinctive style! The Pictorial, Showoff at your next cookout with Texas Irons' line of pictorial branding irons. Entertain your guests by branding your creations with these great conversation pieces! And of course, the College Teams: Show your team spirit with these Officially licensed NCAA branding irons. A must-have for your next college football tailgate!We also offer Grilling aprons and gloves. Protect yourself in style with our Personalized leather BBQ Apron! These heavy-duty aprons will make any backyard BBQer look the part of pitmaster. Feel comfortable and confident with these exclusive personalized BBQ grilling gloves! Made of durable leather with a suede finish, it's the perfect gift for the dedicated grill master!
