Wholesaler of gardening supplies Flower boxes and window box planters are great for gardening in small spaces! It's easy to find 1,000 ideas for using pots and planters around your home to improve indoor and outdoor spaces. Mount them below your windows and hang them from your deck rails to beautify your home and turn your neighbors green with envy. Hanging planter boxes under windows, on walls, balcony railings and fences adds beauty to any space. You can create a container garden anywhere! At WindowBox.com, we offer an extensive selection of flower window boxes in many styles and materials. Enjoy the rot-proof elegance of composite PVC window box planters, the old-world grace of wrought iron, the dramatic patina of real copper, the lightweight durability of vinyl and fiberglass, and the earthy beauty of cedar and redwood planter boxes. Traditional or contemporary, there are window flower boxes for everyone. Get beautiful, long-lasting indoor and outdoor planter pots from Windowbox.com. Great for decorating patios, porches, decks and interior shelves, each of these pots and planters has its own character and charm. Our PVC planters look great in your favorite iron cage or garden shelf and our wooden planters add a touch of natural elegance. There's also an assortment of vinyl, resin, fiberglass, clay and ceramic pot options. With so many choices, you're sure to find the perfect planters and pots for your gardening needs and make your plants and flowers look the best that they possibly can.
