Gifts Antiques Dropshipping International Wholesale Gifts & Collectibles (IWGAC), as the name states, is a dropshipper and wholesaler of different gifts and collectibles. The company has been in business since 1992, originating from a wholesale company of cast iron décor called Wayne's Wholesale. Some of the cast iron home décor products they carry are imported, and stock over 2,000 items in their warehouse normally. International Wholesale Gifts & Collectibles (IWGAC) offers crystal door and drawer knobs, Old Mountain cast iron cookware, tin signs, stone resin figurines, Native American Indian art, Depression era antique glass reproductions, reproduction Western décor, farm and country kitchen décor, wedding gifts, as well as licensed products such as Coca Cola tins. Customers may visit IWGAC's showroom in Crane, Missouri from Mondays to Fridays, 9am to 5pm Central Time. A map to their store is available on the website for easier reference. They also offer several discounts for certain order amounts like 10% off an order of \$250 and above, and 15% off on \$500 and above orders.
