Dropshipping from Oregon.DropshipDirect.com (DSDI™) is a wholesale supply chain distribution company and a wholly owned subsidiary of Prodwise, Inc. They offer services that include wholesale dropshipping fulfillment, third party logistics (3PL), and e-commerce market integration services. DSDI Inc. is based in Lincoln City, Oregon in the Pacific Northwest, and deals with products from five continents and partners with manufacturers, importers and artisans worldwide.DSDI™ maintains inventory at multiple warehouse locations in the US as well as China. DSDI™ manages all their logistics and dropshipping distribution from over a 200,000 square feet combined space. They deal with gifts, collectibles, outdoor items, sporting goods, electronics, jewelry, arts and crafts, home décor, kitchenware, and so much more. They cater to over 54,000 merchant buyers, are supplied by over 900 manufacturers, been in business for 11 years, and stock over 120,000 wholesale products. Dealing with DropshipDirect.com is also a breeze as they do not charge any account or registration fees, no dropshipping handling fees, there is no minimum on order quantities, offer real-time inventory updates, and many other ways to support customers.
