Wholesale & Blind Dropshipping available for your business. Gem Candles are not just a candle, it's an Experience! 1. It's a candle to enjoy for mood lighting, or to add an atmosphere to any room. 2. It's a moisturising oil that can be applied directly onto the body. 3. It's a massage oil that can be enjoyed for a soothing and relaxing massage. 4. AND it has BLING! For the ladies. All large candles contain an item of jewellery worth anything from \$10 - \$5000 as an added bonus! All natural, Vegan, body safe, environmentally friendly and recyclable packaging! Gem Candles are Australian Owned and Made in NSW and have been operating since 2011 supplying retailers across Australia and overseas with our products also enjoyed by celebrities such as Ellen Degeneres. Gem Candles are a complimentary candle product to any existing product range including other candles. The uniqueness of Gem Candles does not put the product in competition with any existing stock you may currently hold. Wholesale is available for small to medium business. Turnaround depends on quantity. All candles are hand produced from pouring to packaging to ensure quality and care is premium for the end user.

customer. We produce from small to large quantities to suit a wide range of purchasing budgets from large retailers to start-ups. We are interested in your business and your ideal customer.
