Babygifts DropshippingBaby Gift Idea was visualized in 1997 by stay-at-home mom, Natalie Hayes and located in Augusta, Georgia. Knowing nothing of web design or e-commerce but determined to stay home with her infant son, Hayes taught herself all aspects of e-business and was live with her web site in April of 1999.BabyGiftIdea.com launched with one product created by Hayes, and evolved into a leading online exclusive baby gift store for personalized and specialty baby gifts. Now offering over 800 products, the store features many keepsakes created by entrepreneurial moms and family owned businesses.Baby Gift Idea's product range includes diaper bags, diaper cakes, baby shower games and favors, baby shower invitations, baby art, baby toys, baby puzzles, baby keepsakes, baby shoes, christening gifts, baptism gifts, and so much more, categorized by gender and price for easier reference on main page's menu.
