American Art Dropshipping Art lot appears to be a subsidiary of Low Cost prints. Low Cost Prints is one of the fastest-growing distributors of fine art prints, oil paintings, and related art items based in Georgia. By buying lithographs in large volume and actively keeping expenses low; the combination of buying power and low costs allows them to give customers the best price anywhere - on or off the Web. Low Cost prints was started in early 2001 and has been growing steadily. Presently they are not taking in any new dropshipping customers. However, for special dropshipping needs they can be contacted and will be considered. They have provided contact details besides their order forms and emails. They can be directly contacted for enquiries. All order for Art Lot has to be placed through Low Cost Prints.
