Dropshippers of Chocolate Fountains and CookwareSephra Chocolate Fountains is a drop shipping company selling Chocolate forte. It sells a wide range from Chocolate, Home Chocolate Fountains, Commercial Chocolate Fountains, Gourmet Products, Caramel & Fruit Puree Fondues, Candy Making Products, Skewers, Accessories and Parts, Wind Guards, Food Serving Displays, Gloves for Food handling to Business Cards/Post Handling.Sephra Chocolate Fountains are recognized worldwide as having the highest quality chocolate fountains available. Currently, they offer four models of chocolate fountains for commercial use, three models of home chocolate fountains for entertaining your friends and family and their special Sephra Chocolate for chocolate fountains.To give a brief review of its history, Sephra started its inception back in 2003, operated by a family whose employees enjoy working together and take pride in knowing that through our efforts thousands of other families and businesses are generating income to support them.Sephra now offer four different sizes of commercial chocolate fountains ranging from 44 inches in height to 23 inches. The names are respectively: The Sephra, The Montezuma, The Aztec and The Cortez. Relatively connected with Aztecs, as history records, were the first people who highly valued the cocoa bean and deemed the chocolate drink they created to be the “Drink of the Gods”.Sephra currently holds four issued patents which cover multiple design innovations that enhance the functionality of the chocolate fountain and improve the sanitary features. Its unique features are make set up and cleaning very simple. Another point for that!Customers of Sephra could pay their cart with their PayPal or credit cards, which is very convenient and safe. Buyer can buy large quantities with discounts just by contacting them via email. Their fountains are now distributed throughout the world so buying from international countries is not a problem.
