American Stone Arts DropshippingPebbleZ.com is a store located in Long Island, New York, selling natural stone home décor for over 25 years. PebbleZ product range includes hundreds of decorative and functional accessories made from a variety of materials including Marble, Slate, Onyx, Gemstone, Travertine, Sandstone and Quartz.

Due to the unique properties of the stone the store claims that each product will be unique and will not have any duplicates in terms of the natural design. This could be a unique business for those looking at dropshipping. For all enquiries with regard to dropshipping, one can contact the store by phone, mail as well as email.
