American Pouches Dropshipping. Pouchmart is a 10 year old company in the business of making and selling customized pouches. Pouchmart is located in Glendale California. Pouchmart has a variety of pouches from plain organza bags to jute bags and beaded bags all customised to suit the customers' taste, made to look attractive and elegant. Pouchmart also has the feature of blind label dropshipping their pouches. This should be a great advantage for those interested in dropshipping. According to the website all shipping within US is done free, however, for other places outside the USA the charges are given. The website has their online forms through which all enquiries for dropshipping can be made. The address and phone numbers are also provided in the website.
