American Gifts DropshippingThe Premium Connection was established in 1985 and is located in Las Vegas, Nevada. The Premium Connection is one of the leading importers of gifts and gadgets, and has a variety of products. They offer items such as MP3 players, umbrellas, kitchenware products, autocare accessories and tools, manual tools, fleece blankets, bags and luggage, PINK products, and many more. For drop shipping requests and inquiries, one may use the online contact form that can be found on The Premium Connection's Contact Us page. It is also the only means by which they can be contacted. Customers may register an account through their website in order to download the pricing sheet, order sample products, add items to a wishlist, and request quotes.
