Skincare Dropshipping Volcanic Earth is a Vanuatu based company dealing with organic skin care products. Volcanic Earth is a manufacturer, wholesaler, retailer and exporter of organic skin care products which are totally chemical free and made in the most bio friendly country in the world. The products range from natural oil to volcanic products which are said to be rich in minerals suitable for rejuvenation of the skin. Volcanic Earth offers a variety of organic – not to mention exotic – skin and hair care products such as Tamanu Oil, coconut soaps, body scrubs, Tamanu butter for stretch marks, anti-aging massage cremes, coconut oils, acne repair kits, facial soaps, cleansers and toners, eye creams, clay masks, and many more. Enquiries regarding dropshipping can be made by email or by ordinary mail for which details are provided in the web site. Note that the best channel to contact them is via email.
