

Wholesale Clothing

Phone: 0437 240 590

Australian Clothing Dropshipping Wholesale Clothing is an online clothes distributor since 2004 doing business in Australia and the Pacific. Wholesale Clothing has a product range starting from simple tops to swim wear. Wholesale Clothing makes bulk purchases from manufacturers which enables them to sell at very competitive prices. Also a team of professionals ensure that quality products are purchased and made available for online trade including dropshipping. The website has a separate section for dropshipping under the label 'Drop Shipment' which gives detailed instruction regarding dropshipping. The site also offers a full price list. Address for communication is not given however, an online form is available for all enquiries.
