American Travel Size Products Dropshipping Minimus is a Los Angeles based online retail store that deals with all travel related products designed to travel size.

Minimus is a family-owned business of the Shrater family in LA. The concept for Minimus was conceived at the end of a vacation trip of the family where they had to throw away excess condiments. The products of Minimus range from personal care to kits and accessories all made in travel sizes which makes it convenient for travellers. The website also has details of minimum orders and prices. The website also offers dropshipping however, not much of details is provided. Those interested in dropshipping can write to Minimus using the several email addresses provided in the website. This is a novel concept which would benefit the travellers segment is a worthwhile segment to explore for dropshipping.
